DONATE AN EXPERIENCE OR ITEM FOR THE SILENT AUCTION

We are seeking help from local businesses and organizations to donate an experience or item for silent auction at our first ever Field Trip to Catie's Closet Fundraiser.

With COVID restrictions, we were unable to host our biggest fundraiser of the year. With the demands of children in poverty growing each and every day, we're asking our local community to help us raise awareness to our cause and fund our 2022 effort; providing children living in poverty instant relief and empowerment to attend school, confidently.

Catie's Closet Provides clothing & toiletries to homeless and financially disadvantaged students right within their own school. We setup unused space in schools as "free stores" where they can choose their own clothes, so they feel confident and fit in. We service 70,000 students from age 4 - 19 in elementary, middle & high schools in Massachusetts and New Hampshire.

Visit www.catiescloset.org for more information about our mission.
